Available to Members Only, you may purchase dance passes in advance. We are offering 5 passes for \$30, a savings of \$5 (regular membership price is 5x\$7.00=\$35).

When you use your pass at any one of our dances (excluding Boogie by The Bay, and special events) all you have to do is turn in a pass AND show your membership card.

There will be someone at the door to collect the pass and check your membership card. No need to wait in line to pay.

This will help with the door procedures and you benefit with a discount.

See me at the next dance on to fill out a short form or mail the attached form, to purchase the passes. You will receive the passes in the mail before the next dance.
